

# INCIDENT COMMAND WEEKLY BRIEFING

## TUESDAY JUNE 9, 2020- MONDAY JUNE 15, 2020

### Goals of the Unified Command COVID-19 Response

- Stop or reduce the spread of COVID 19 in Brown County.
- Safely reopen Brown County through the use of proactive prevention efforts.

### Successes/Milestones this week

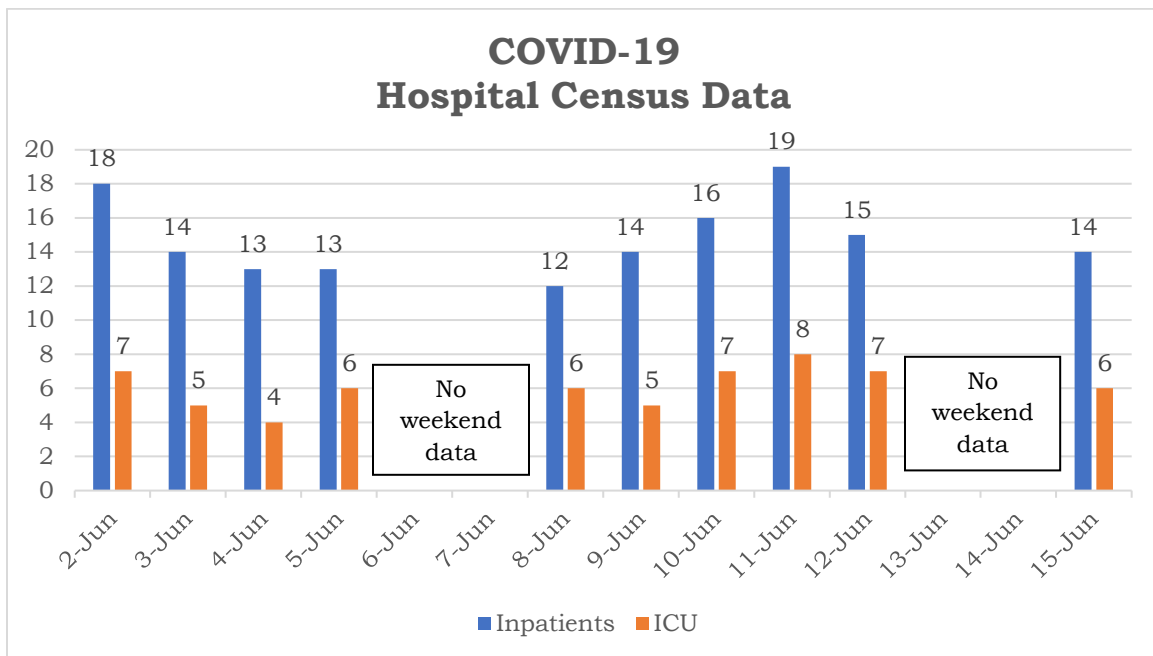

- Census at the community isolation and quarantine site dropped to 0 guests on Friday June 12, 2020.
- An all staff meeting was held on Tuesday June 9, 2020 to learn about staff experiences and incorporate feedback into future plans.
- An updated Logistics flowchart was created to ensure consistency in records for contracts, purchasing, and others.
- Brown County Board of Health convened virtually and received an update on COVID-19 response.

### Upcoming Considerations

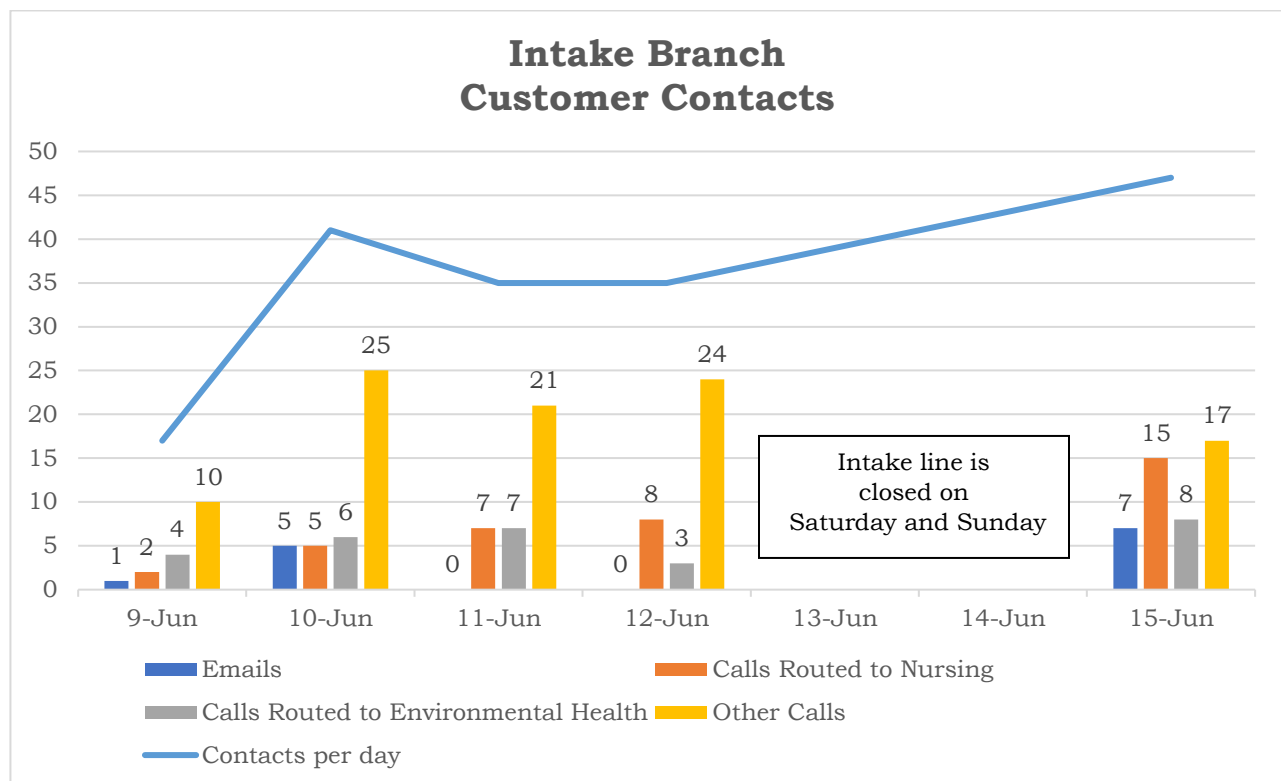

Consideration	Incident Command (IC) Response
Preparation for future needs for Community Isolation and Quarantine Site (CIQS) options. The site hosted at least once guest continuously from March 27, 2020 through June 12, 2020. Census on-site is reduced to between 0-1 guests, a significant decrease in community demand.	<ul style="list-style-type: none"><li>• IC, CIQS staff, and planning staff met to discuss future state of Isolation and Quarantine.</li><li>• CIQS Staff provided a menu of options for future of the program.</li><li>• Some staffing was changed to virtual and on call to more efficiently use staff time.</li><li>• Transportation service was changed from on call to as needed case by case.</li></ul>
State funding provided for assistance with Patient Surveillance aspects including contact tracing, follow up, etc.	<ul style="list-style-type: none"><li>• IC held a staff meeting for Patient Surveillance Branch staff.<ul style="list-style-type: none"><li>- Per response of current staff completing Patient Surveillance, the proposed addition of supportive team members was well received.</li></ul></li><li>• Accepting state assistance will allow long term day to day staff to continue to perform mandated and routine functions.</li><li>• IC will continue to work on a long-term plan to incorporate state assistance.</li></ul>
